DOODHPATHRI SKIING

3 NIGHTS / 4 DAYS

Overview

Welcome to the world of winter adventure in Doodhpathri, where you can experience the thrill of 4x4 skiing amidst the breath-taking beauty of the snow-covered mountains. Wildsnow, the premier winter sports company, offers you an unforgettable skiing experience that you won't find anywhere else.

Weather & Temperature

During the winter months (December to March), the Pir Panjal Mountain range receives heavy snowfall. This weather pattern is due to winds originating in the eastern Mediterranean Sea.

► Outside temperature

Doodhpathri's Climate is similar to the European Alps. You can expect the temperature to be around the same as a European ski resort. The only difference (and a good one) is that annual snowfall levels in Doodhpathri ski area are roughly double the levels of European resorts. A great reason to Ski Himalaya!
